New Business:

Discussion of the short-term rental ordinance draft was postponed pending Council review of the draft in June.

Chair Forth reported that CIB (Community Image Building) requested to have a group discussion the following day about work on the Master Plan, and who was able to attend.

Manistee County is working on updating the Master Plan for the entire county, and members were encouraged to go online and fill out the community survey. There was discussion regarding how to get more public input in terms of what to include in the village Master Plan, including an online survey.

Old Business:

The members further discussed how to use the new TV for livestreaming meetings for the public. The Village needs to acquire a camera, some microphones, and a dedicated laptop to run the system. Foster to do some research to make recommendations on what to purchase.

Motion to adjourn by Halloran, seconded by Storms. All in favor, motion carried.

Meeting adjourned at 6:50 p.m.

Respectively submitted,

Tom Foster,
Secretary
