Old Business: Master Plan update

Chair Forth led discussion on the Goals and Objectives section of the Master Plan draft provided by CIB Planning. Members discussed items they'd like to add or change under the current draft headings of Community Character Preservation, Residential, Commercial, Downtown, Natural Features & Environment, Transportation, and Community Facilities & Recreational Amenities. Members mentioned there was redundancy and vagueness of language in the current draft which needed to be addressed. There was a question regarding including emergency preparedness in the Master Plan, and whether this was the appropriate document to address that subject.

Public comment: all people present joined in the above discussion for the entirety of the meeting.

Motion to adjourn by Storms, seconded by Foster. All in favor, motion carried.
